

A surreal landscape featuring a large, glowing planet in the sky, a mountain range, and a body of water reflecting the scene. The word "RECURSION" is overlaid in a white, pixelated font.

RECURSION

RECURSION

Logline:

Sometimes the unknown should remain that way.

Genre:

Sci-Fi | Drama | Thriller

Synopsis:

Earth is on the precipice of demise. The fate of the planet rests on the shoulders of an expedition traveling to an extinct alien planet. Their goal is to uncover the secrets behind an unidentified energy source to see if it holds the key to unlocking sustainable, faster than light travel. However, there is more buried in the ruins than they first realized and uncovering it will cause the crew to question everything they know about the human life... and the universe.
