THE CACOPHONY OF HOGS

Logline:

Darkness grows where God can't see

Genre:

Thriller | Mystery | Horror

Synopsis:

In the brilliance of the desert a darkness thrives. Sent to investigate a heinous murder, Detective Christine Fuentes finds herself in a dying town with more festering under the surface than first appears. As she digs into the homicide, Christine realizes if she can't determine who is telling the truth more innocent lives will be lost. However, to save the others Christine will have to face her own demons—or become a victim to the perilous evil herself.
